

Features of Where2Stay-SouthAfrica.com

Our site was designed to ensure that both Venue Owners and people searching for accommodation in South Africa have a user friendly experience and with years of searching through other accommodation sites; we decided to bring the very best of everything out there into one site – **Where2Stay-SouthAfrica.com**

For people searching for accommodation, our website offers you a great choice of accommodation across South Africa including Guesthouses, Game Reserves, Hotels, Self-Catering and Bed & Breakfast. Most importantly, it provides you with a number of search options to ensure that you find exactly what you are looking for in the shortest time, without having to trawl through pages and pages of information.

The site provides background information on places of interest / towns / cities and also allows you to search by activities or events by area.

For people who are new to South Africa; there is an interactive map which allows you to search for accommodation / interests / activities and events. There's also the option of being able to check which accommodation has availability by viewing the online availability calendar for each of the venues.

We also offer a wide range of information and travel tips designed to make your trip to South Africa an enjoyable one.
